

SKELLERUP

New Zealand Footwear Catalogue

[SKELLERUP.CO.NZ](https://skellerup.co.nz)

Skellerup, a renowned New Zealand company, has been a leader in hand crafting durable rubber footwear since the 1930s.

We pride ourselves on our dedication to quality, innovation, and industry expertise, making our boots the go-to choice for a wide range of tasks.

Whether you work in agriculture, or industrial settings, or simply want the perfect gumboot for pottering in the garden, Skellerup offers footwear designed to meet the unique challenges of each environment.

Our boots are built to endure the toughest conditions, providing protection, comfort, and reliability. From sideline sports to weekends in the garden, Skellerup footwear is designed to keep you dry and comfortable.

SKELLERUP

Quatro by Skellerup

Setting the standard for premium comfort

Handcrafted from natural rubber, Quatro by Skellerup is leading the way in waterproof footwear. A technical footwear range featuring multi-layer insulation, keeping you warm in temperatures as low as -50°C. A replaceable Quatro innersole offers heel and arch support, while air pockets gently cushion the impact of your day on farm. Quatro provide comfort with every step.

Red Band

A New Zealand Icon

Red Bands are a national treasure of New Zealand, they're a symbol of hard work and rugged Kiwi spirit. Since 1958, these iconic Gumboots have been handcrafted with durable rubber, making them a staple for farmers, enthusiastic supporters on the sidelines of local sporting games, and as a trusty gumboot to throw on at the back door for outdoor chores.
