FIREFIGHTER FOOTWEAR

Skellerup has been hand-crafting premium rubber footwear for over 70 years. Our expertise in rubber technology, coupled with our experience in the art of rubber boot assembly, allows us to produce tailor-made products for any application.

The Firefighter Extreme was born from a desire to offer a structural boot that provides exactly what front-line firefighters want.

Developed with firefighters for firefighters; the Firefighter Extreme provides unrivalled comfort, protection and assurance.
